(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

Adopt the Resolution authorizing the issuance and sale of general obligation bonds of the Los Angeles Unified School District in an aggregate principal amount not to exceed \$400,000,000.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Governing Board of the Los Angeles Unified School District (the District) adopted a resolution on January 10, 2006 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$400,000,000 to be used for authorized purposes.

On November 8, 2005, an election was held whereby voters residing in the District approved a ballot measure authorizing the District to issue \$3.985 billion in general obligation bonds for various qualifying purposes. This is the first issuance of bonds authorized under this measure.

Pursuant to Section 15264 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County of Los Angeles following receipt of the District Resolution requesting such borrowing.

It supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in, and development of, public school infrastructure in this County.

#### **FISCAL IMPACT/FINANCING**

None to the County. All debt will be paid by the District.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Resolution provides for issuance of the Los Angeles Unified School District General Obligation Bonds, Election of 2005 (the Bonds), at a true interest cost not to exceed eight percent (8%). The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The final maturity of the Bonds will not exceed twenty-five (25) years. Provisions for optional redemption of the Bonds will be described in the Bond Purchase Agreement.

The Resolution provides for the negotiated sale of the Bonds to the underwriters and allows for the participation of the Treasurer and Tax Collector in the pricing of the Bonds. The District has selected Banc of America Securities as Senior Managing Underwriter; the firm of Sidley Austin LLP as Bond Counsel; and U.S. Bank National Association as Paying Agent.

The County will annually levy and collect ad valorem taxes for the repayment of the Bonds on behalf of the District.

and

WHEREAS, at least 55% of the votes cast on Measure Y were in favor of authorizing the issuance of general obligation bonds; and

WHEREAS, the Board of Education of the District has requested this Board of Supervisors (the "Board of Supervisors") of the County of Los Angeles (the "County") to issue a portion of the authorized bonds pursuant to Proposition 39 and Section 15264 *et seq.* of the Education Code of the State of California in one or more series designated the "Los Angeles Unified School District General Obligation Bonds, Election of 2005, Series A (2006)" (or such additional or other series designations as may be approved by the Board of Education of the District or its duly authorized designee) in an aggregate principal amount not exceeding \$400,000,000 (the "Bonds"), and to authorize the sale of the Bonds by one or more negotiated sales pursuant to one or more bond purchase agreements (each, a "Bond Purchase Agreement") to be entered into with the representative of a syndicate of underwriters (the "Underwriter") selected by the District and named therein, a form of which Bond Purchase Agreement has been submitted to and is on file with the Executive Officer-Clerk of this Board of Supervisors, all according to the terms and in the manner set forth in a resolution duly adopted by the Board of Education of the District on January 10, 2006, a certified copy of which has been filed with the Executive Officer-Clerk of this Board of Supervisors (the "District Resolution"); and

WHEREAS, this Board of Supervisors accepts the representation of the District that it is necessary and desirable that the Bonds be issued and sold by a negotiated sale for the purposes for which the Bonds have been authorized and on the terms and conditions set forth in the District Resolution;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES AS FOLLOWS:

SECTION 1. Recitals: All of the above recitals are true and correct.

SECTION 2. District Resolution Incorporated: The District Resolution is incorporated herein by reference and all of the provisions thereof are made a part hereof and shall be applicable to the Bonds herein provided for, except as herein otherwise expressly provided.

SECTION 3. Purpose of Bonds. The proceeds of the Bonds will be applied to the purposes permitted under Proposition 39 and Measure Y.

SECTION 4. Authorization and Designation of Bonds: This Board of Supervisors hereby authorizes on behalf of the District, the issuance in one or more series and sale or sales of not to exceed \$400,000,000 aggregate principal amount of bonds of the District and designates the bonds to be issued and sold as the "Los Angeles Unified School District General Obligation Bonds, Election of 2005, Series A (2006)" with such additional or other series designations as may be approved in accordance with Section 11 of the District Resolution.

SECTION 5. Form of Bonds; Execution:

(a) Book-Entry. The Depository Trust Company, New York, New York ("The Depository Trust Company"), is hereby appointed depository for the Bonds. The Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of The Depository Trust Company, and registered ownership of the Bonds may not thereafter be transferred except as provided in Section 11 hereof. One bond certificate shall be issued for each maturity of the Bonds.

(b) Form of Bonds. The Bonds shall be issued in fully registered form without coupons. The Bonds and the certificate of authentication and registration of the Paying Agent (as defined in Section 9(a) hereof) and the form of assignment to appear on each of them, shall be in substantially the form attached hereto as Exhibit A, with necessary or appropriate variations, omissions and insertions as permitted or required by this County Board of Supervisors Resolution (this "Resolution").

(c) Execution of Bonds. The Bonds shall be signed by the manual or facsimile signatures of the Chair of this Board of Supervisors and of the Treasurer and Tax Collector of the County or any authorized deputy thereof (the "Treasurer"), and countersigned by the manual or facsimile signature of the Executive Officer-Clerk of this Board of Supervisors or any authorized deputy. The Bonds shall be authenticated by a manual signature of a duly authorized officer of the Paying Agent.

(d) Valid Authentication. Only such of the Bonds as shall bear thereon a certificate of authentication and registration as described in subsection (b), executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

(e) Identifying Number. The Paying Agent shall assign each Bond authenticated and registered by it a distinctive letter, or number, or letter and number, and shall maintain a record thereof at its principal corporate trust office, which record shall be available to the District and the County for inspection.

#### SECTION 6. Terms of Bonds:

(a) Date of Bonds. Each Bond shall be dated the date of delivery, or such other date as shall be set forth in the Bond Purchase Agreement relating to such Bonds.

(b) Denominations. The Bonds shall be issued in denominations of \$5,000 principal amount or any integral multiple thereof.

(c) Maturity. The Bonds shall mature on the date, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the Bond Purchase Agreement relating to such Bonds. No Bond shall mature later than the date which is 25 years from the date of such Bond, to be determined as provided in subsection (a) of this Section.

(d) Interest. As used in this Resolution and in the Bonds, the terms "interest payment date," and "interest date" shall be interchangeable, and shall mean January 1 and July 1 of each year until the maturity of the Bonds, or such other dates specified in the Bond Purchase Agreement.

The Bonds shall bear interest at a coupon rate not to exceed 8% per annum, first payable on July 1, 2006, and thereafter on January 1 and July 1 in each year until the maturity of the Bonds (or on such other initial and other interest payment dates as shall be set forth in the Bond Purchase Agreement), computed on the basis of a 360-day year of twelve (12) 30-day months. Each Bond shall bear interest from the interest payment date next preceding the date of authentication thereof, unless it is authenticated as of a day during the period after the Record Date (as defined in Section 7(b) herein) immediately preceding any interest payment date to and including such interest payment date, in which event it shall bear interest from such interest payment date, or unless it is authenticated on or before the Record Date preceding the first interest payment date, in which event it shall bear interest from its date; provided, that if, at the time of authentication of any Bond, interest is in default on any outstanding Bonds, such Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding Bonds.

## SECTION 7. Payment:

(a) Principal. The principal of the Bonds shall be payable in lawful money of the United States of America to the person whose name appears on the bond registration books of the Paying Agent as the registered owner thereof (the "Owner"), upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(b) Interest; Record Date. The interest on the Bonds shall be payable in lawful money of the United States of America to the Owner thereof as of the close of business on the 15th day of the month preceding an interest payment date (the "Record Date"), whether or not such day is a business day, such interest to be paid by check mailed on such interest payment date (if a business day, or on the next business day if the interest payment date does not fall on a business day) to such Owner at such Owner's address as it appears on the bond registration books described in Section 9(e) or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made in immediately available funds (*e.g.*, by wire transfer) to any Owner of at least one million dollars (\$1,000,000) of outstanding Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any interest payment date. So long as Cede & Co. or its registered assigns shall be the Owner of the Bonds, payment shall be made in immediately available funds as provided in Section 10(d) hereof.

(c) Payment Fund: (a) Principal of and interest due on the Bonds shall be paid from the interest and sinking fund of the District as provided in Section 15146 of the Education Code (the "Debt Service Fund"). No part of any fund of the County is pledged or obligated to the payment of the Bonds.

## SECTION 8. Redemption Provisions:

(a) Optional Redemption. The Bonds of each series shall be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the related Bond Purchase Agreement. Any Bond Purchase Agreement may provide that a portion of the Bonds shall not be subject to optional redemption.

If the Bonds of a series shall be subject to optional redemption and less than all of the Bonds of such series are called for such redemption, such Bonds shall be redeemed in inverse order of maturities of such series or as otherwise directed by the District, and if less than all of the Bonds of any given maturity of a series are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot.

(b) Mandatory Sinking Fund Redemption. The Bonds, if any, which are designated in the Bond Purchase Agreement as Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Bond Purchase Agreement. The principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Bonds of that maturity optionally redeemed prior to the mandatory sinking fund payment date. The Bond Purchase Agreement

may provide that Bonds sold thereunder shall not be subject to mandatory sinking fund redemption.

(c) Notice of Redemption. Notice of redemption of any Bonds shall be given by the Paying Agent upon the written request of the District given at least 60 days prior to the date designated for such redemption. Notice of any redemption of Bonds shall be mailed postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the bond registration books described in Section 9(e), (ii) by secured mail to all organizations then-registered with the Securities and Exchange Commission as securities depositories, (iii) to at least two information services of national recognition which disseminate redemption information with respect to municipal securities, and (iv) as may be further required in accordance with the Continuing Disclosure Certificate of the District described in Section 16.

Each notice of redemption shall contain all of the following information:

- (i) the date of such notice;
- (ii) the name of the Bonds and the date of issue of the Bonds;
- (iii) the redemption date;
- (iv) the redemption price;
- (v) the dates of maturity of the Bonds to be redeemed;
- (vi) (if less than all of the Bonds of any maturity of a series are to be redeemed) the distinctive numbers of the Bonds of each maturity of such series to be redeemed;
- (vii) (in the case of Bonds redeemed in part only) the respective portions of the principal amount of the Bonds of each maturity to be redeemed;
- (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed;
- (ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; and
- (x) notice that further interest on such Bonds will not accrue after the designated redemption date.

(d) Effect of Notice. A certificate of the Paying Agent or the District that notice of call and redemption has been given to Owners and to the appropriate securities depositories and information services as herein provided shall be conclusive as against all parties. The actual receipt by the Owner of any Bond or by any securities depository or information service of notice of redemption shall not be a condition precedent to redemption, and failure to receive such

notice, or any defect in the notice given, shall not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (e) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the redemption premium thereon, if any, only to the Debt Service Fund or the escrow fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(e) Redemption Fund. Prior to or on the redemption date of any Bonds there shall be available in the Debt Service Fund, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the premiums payable as in this Resolution provided, the Bonds designated in any notice of redemption. Such monies so set aside in any such escrow fund shall be applied on or after the redemption date solely for payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the Debt Service Fund shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Debt Service Fund, unless otherwise provided for to be paid from such escrow. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the Debt Service Fund or otherwise held in trust for the payment of redemption price of the Bonds, those monies shall be held in or returned or transferred to the Debt Service Fund for payment of any outstanding bonds of the District payable from that fund; provided, however, that if those monies are part of the proceeds of the Bonds, the monies shall be transferred to the Debt Service Fund. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(f) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all outstanding Bonds all of the principal, interest and premium, if any, represented by such Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 12 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Bonds, but only out of monies on deposit in the Debt Service Fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (g) hereof shall apply in all events.

All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

- (i) by irrevocably depositing with the Paying Agent an amount of cash which together with amounts then on deposit in the Debt Service Fund, is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and redemption premium, if any; or
- (ii) by irrevocably depositing with the Paying Agent, noncallable United States Obligations (as defined below) together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal thereof and interest and prepayment premiums, if any, thereon) at or before their maturity date.

For purposes of this Section, United States Obligations shall mean:

- (iii) Direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances wherein (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's or "Aaa" by Moody's Investors Service; and
- (iv) Non-callable obligations of government sponsored agencies that are rated "AAA," by Standard & Poor's or "Aaa" by Moody's Investors Service but are not backed by the full faith and credit of the U.S. Government. These include the following: (a) Federal Home Loan Mortgage Corp. (FHLMC) Debt Obligations; (b) Farm Credit System (Formerly: Federal Land Banks, Intermediate Credit Banks, and Banks for Cooperatives) Consolidated Systemwide bonds and notes; (c) Federal Home Loan Banks (FHL Banks) Consolidated debt obligations; (d) Federal National Mortgage Association (FNMA) Debt Obligations; and (e) Resolution Funding Corp. (REFCORP) Debt Obligations.

In the event that Bonds are being defeased pursuant to paragraph (ii) of this Section, the independent certified public accountant referred to therein and any escrow agent selected in connection with said defeasance shall both be subject to County approval.

(g) Unclaimed Monies. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Debt Service Fund for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

#### SECTION 9. Paying Agent and Disbursement Agent:

(a) Defined. As used in this Resolution and in the Bonds, "Paying Agent" shall mean the Treasurer or any bank, trust company, national banking association or other financial institution appointed as paying agent for the Bonds in the manner provided in this Resolution.

(b) Appointment; Payment of Fees and Expenses. This Board of Supervisors does hereby consent to the appointment by the District of U.S. Bank National Association, to act as initial authenticating agent, bond registrar, transfer agent and paying agent for the Bonds, and does confirm said appointment for purposes of this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Debt Service Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code of the State and insofar as money in the Debt Service Fund is sufficient therefor, such fees and expenses shall be paid by the District.

(c) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed as provided in the Paying Agent's service agreement with the District and the County; provided that any successor shall be appointed with the consent of the County. Without further action by the District, if at any time the Paying Agent shall resign or be removed and no successor is appointed by the District, the Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets.

(d) Principal Corporate Trust Office. Unless otherwise specifically noted, and for so long as U.S. Bank National Association shall serve as paying agent hereunder, any reference herein to the "principal corporate trust office" of the Paying Agent shall mean in care of the corporate trust office of U.S. Bank National Association in Los Angeles, California; provided, however, that in any case "principal corporate trust office" shall mean any other office of the Paying Agent designated for a particular purpose, and shall include the principal corporate trust office or other designated office of any successor paying agent.

(e) Registration Books. The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the books, Bonds as provided in Section 11 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(f) Disbursement Agent. For any period of time in which the Treasurer is not acting in the capacity of Paying Agent, the Treasurer shall serve as disbursement agent hereunder and shall transfer monies from the Debt Service Fund to the Paying Agent in order to make payments of principal and interest on the Bonds.

SECTION 10. Transfer Under Book-Entry System; Discontinuation of Book-Entry System:

(a) The Bonds shall be initially issued and registered as provided in Section 5. Registered ownership of such Bonds, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of The Depository Trust Company, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a "substitute depository"); provided, that any successor of Cede & Co., as nominee of The Depository Trust Company or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for The Depository Trust Company (or its successor) because The Depository Trust Company or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of The Depository Trust Company or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Bond for each maturity shall be

executed and delivered in the aggregate principal amount of the Bonds then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant to clause (iii) of subsection (a) of this section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District or County to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Section 5 and the receipt of such a written request of the District or County, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 11 of this Resolution; provided, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days after the receipt of any such written request of the District or County.

(c) The County, the District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the County, the District or the Paying Agent; and the County, the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the County, the District or the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including The Depository Trust Company or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(d) So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District, the County and the Paying Agent shall cooperate with Cede & Co., as sole Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available (*e.g.*, by wire transfer) on the date they are due.

#### SECTION 11. Transfer and Exchange:

(a) Transfer. Following the termination or removal of the depository pursuant to Section 10 hereof, any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 9(e) hereof, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5, a new Bond or Bonds of the same series, maturity, interest payment mode and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Bond shall be required to be made by the Paying Agent during the period from (1) the close of business on the applicable Record Date to and including the

succeeding interest date, or (2) the close of business on the date on which notice is given that such Bond has been selected for redemption in whole or in part, to and including the designated redemption date.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same maturity and interest payment mode, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5, a new Bond or Bonds of the same maturity and interest payment mode and interest rate for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Bonds shall be required to be made by the Paying Agent during the period from (1) the close of business on the applicable Record Date to and including the succeeding interest date, or (2) the close of business on the date on which notice is given that such Bond has been selected for redemption in whole or in part, to and including the designated redemption date.

SECTION 12. Obligation of District and Covenant of County: The Bonds represent the statutory obligation of the District. The money for the payment of principal, redemption premium, if any, and interest with respect to the Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the Debt Service Fund, and this Board of Supervisors hereby covenants to levy ad valorem taxes for the payment of the Bonds on all property in the District subject to taxation by the District without limitation as to rate or amount (except certain personal property which is taxable at limited rates).

SECTION 13. Sale of Bonds; Bond Purchase Agreement: The form of the Bond Purchase Agreement submitted to and on file with the Executive Officer-Clerk of this Board of Supervisors providing for the sale by this Board of Supervisors and the purchase by the Underwriter of one or more series of the Bonds at the purchase price to be set forth therein (which purchase price shall be approved by the Treasurer and the District, this Board of Supervisors hereby expressly delegating to such officer or his designee the authority to execute each Bond Purchase Agreement on its behalf), is hereby approved; provided, that (i) the true interest cost for the Bonds shall not be in excess of 8%; (ii) the maximum interest rate (coupon) on the Bonds shall not be in excess of 8% per annum; (iii) the underwriters' discount shall not exceed 1% of the aggregate principal amount of the Bonds; and (iv) the Bonds shall otherwise conform to the limitations specified herein.

The initial Bond Purchase Agreement and each subsequent Bond Purchase Agreement, if any, shall recite the aggregate principal amount of the Bonds sold pursuant to such Bond Purchase Agreement, the date thereof, the maturity dates, principal amounts and annual rates of

interest of each maturity thereof, the initial and semiannual interest payment dates thereof, and the terms of optional and mandatory sinking fund redemption thereof.

The Treasurer (or an authorized deputy or designee of the Treasurer) is hereby authorized and directed to accept the offer of the Underwriter when the offer is satisfactory to the Treasurer and the District, and to execute and deliver the initial Bond Purchase Agreement and each subsequent Bond Purchase Agreement, if any, on behalf of the County in substantially the form now on file with this Board of Supervisors, with such changes therein as shall be approved by the authorized officer of the County executing the same, and such execution shall constitute conclusive evidence of the Treasurer's approval and this Board of Supervisors' approval of any change therein from the form of such Bond Purchase Agreement.

SECTION 14. Deposit and Investment of Proceeds:

(a) The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for purposes for which the Bonds are authorized to be issued pursuant to Measure Y. Any premium and accrued interest shall be deposited upon receipt by the District in the Debt Service Fund within the County treasury.

(b) All funds held hereunder shall be invested by the Treasurer pursuant to Section 53601 of the Government Code of the State of California ("Section 53601"). The District may, to the extent permitted by law, deliver a written request to the Treasurer such that, all or any portion of the Building Fund of the District may be invested in:

- (i) the Local Agency Investment Fund in the treasury of the State of California;
- (ii) investment agreements, including guaranteed investment contracts, which comply with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds; or
- (iii) any other investment authorized pursuant to Section 53601.

Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of principal of and interest on the Bonds.

SECTION 15. Tax Covenant: The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Bonds under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and that it will comply with the requirements of the initial Tax Certificate and any subsequent Tax Certificate of the District with respect to the Bonds, to be entered into by the District as of the date of issuance of the Bonds, and further that such representation and covenant shall survive payment in full or defeasance of the Bonds.

SECTION 16. Continuing Disclosure Certificate: The County acknowledges and relies upon the fact that the District has represented that it shall execute a Continuing Disclosure Certificate containing such covenants of the District as shall be necessary to comply with the requirements of Securities and Exchange Commission Rule 15c2-12, and that the District has covenanted that it will comply with and carry out all of the provisions of such Continuing Disclosure Certificate. The District shall function as or cause the appointment of a dissemination agent, who shall perform all duties and obligations of the Dissemination Agent as set forth in the Continuing Disclosure Certificate, and the County shall have no responsibilities either for compliance with the Continuing Disclosure Certificate or for the duties of the Dissemination Agent.

SECTION 17. Limited Responsibility for Official Statement: Neither the Board of Supervisors nor any officer of the County has prepared or reviewed the official statement of the District describing the initial issuance of the Bonds or any subsequent series of Bonds (each, an "Official Statement"), and this Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section contained or to be contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures, as they may relate to funds of the District, the Treasurer is hereby authorized and directed to prepare and review such information for inclusion in each of the District's Official Statements and in each preliminary Official Statement, and to certify to the District prior to or upon the issuance of each series of the Bonds that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

SECTION 18. Approval of Actions: The Chair of this Board of Supervisors, the Executive Officer-Clerk of this Board of Supervisors, the County Auditor-Controller, the County Counsel, and the Treasurer and the deputies and designees of any of them, are hereby authorized and directed to execute and deliver any and all certificates and representations, as may be acceptable to County Counsel, including signature certificates, no-litigation certificates, and other certificates proposed to be distributed in connection with each sale of the Bonds, necessary and desirable to accomplish the transactions authorized herein.

SECTION 19. Effective Date: This Resolution shall take effect from and after its adoption.

The foregoing resolution was on the 31st day of January, 2006, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies and authorities for which the Board so acts.

Upon written request, given no later than the Record Date immediately preceding an interest payment date, of the owner of Bonds (hereinafter defined) aggregating at least \$1,000,000 in principal amount, interest will be paid in immediately available funds (e.g., by wire transfer) to an account maintained in the United States as specified by the owner in such request. So long as Cede & Co. or its registered assigns shall be the registered owner of this bond, payment shall be made in immediately available funds as provided in the Resolution.

This bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying series, numbers, denominations, interest rates, interest payment modes, maturities and redemption provisions), amounting in the aggregate to \$\_\_\_\_\_, and designated as "Los Angeles Unified School District General Obligation Bonds, Election of 2005, Series \_ (2006)" (the "Bonds"). The Bonds were authorized by a vote of at least 55% of the voters voting at an election duly and legally called, held and conducted in the District on November 8, 2005. The Bonds are issued and sold by the Board of Supervisors of the County of Los Angeles, State of California (the "County"), pursuant to and in strict conformity with the provisions of the Constitution and laws of the State, a resolution of the Board of Education of the District adopted on \_\_\_\_\_, 2006 and of a resolution (the "Resolution") adopted by the Board of Supervisors of the County on \_\_\_\_\_, 2006, and subject to the more particular terms specified in the Bond Purchase Agreement, dated as of \_\_\_\_\_, by and among the District, the County and \_\_\_\_\_, as representative of the underwriters of the Bonds.

The Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 principal amount or any integral multiple thereof, provided that no Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Resolution, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same series, interest payment mode, and maturity of other authorized denominations.

This bond is transferable by the registered owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this bond. Upon such transfer, a new Bond or Bonds of authorized denomination or denominations of the same series, maturity, interest payment mode, and interest rate for a like aggregate principal amount will be issued to the transferee in exchange herefor.

The County, the District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, and the County, the District and the Paying Agent shall not be affected by any notice to the contrary.

Bonds maturing on or before \_\_\_\_\_ 1, \_\_\_\_\_, shall not be subject to redemption prior to their respective stated maturity dates. Ladies and Gentlemen:

The undersigned, as representative (the "Representative") of the several Underwriters identified on the signature page hereof (collectively, the "Underwriters"), hereby offers to enter into this Bond Purchase Agreement (the "Purchase Agreement") with the County of Los Angeles, California (the "County") and the Los Angeles Unified School District (the "District"), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriters. By execution of this Purchase Agreement, the County acknowledges the terms hereof and recognizes that it will be bound by certain of the provisions hereof, and to the extent binding on the County, acknowledges and agrees to such terms. This offer is made subject to the written acceptance of this Purchase Agreement by the County and the District and delivery of such acceptance to us at or prior to 11:59 PM, California Time, on the date hereof.

1. **Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriters for such purpose, all (but not less than all) of the District's General Obligation Bonds, Election of 2005, Series A, B, C & D (2006) in an aggregate principal amount of [\$400,000,000] to be issued in four series as follows: [\$\_\_\_\_\_] Series A Bonds (the "Series A Bonds"), [\$\_\_\_\_\_] Series B Bonds (the "Series B Bonds"), [\$\_\_\_\_\_] Series C Bonds (the "Series C Bonds") and [\$\_\_\_\_\_] Series D Taxable Bonds (the "Series D Bonds" and collectively with the Series A Bonds, the Series B Bonds and the Series C Bonds, the "Bonds"). The Bonds shall bear interest at the rates and shall mature in the years as set forth in Exhibit A hereto.

The Underwriters shall purchase the Bonds at a price of \$\_\_\_\_\_ (which represents the aggregate principal amount of the Bonds, plus a premium of \$\_\_\_\_\_ and less Underwriters' discount in the amount of \$\_\_\_\_\_). From the purchase price, the Underwriters agree to wire the municipal bond insurance premium in the amount of \$\_\_\_\_\_ in immediately available funds to the Insurer (defined below) on the Closing date. From the Underwriters' discount, the Underwriters shall apply \$\_\_\_\_\_ to pay the cost of issuance of the Bonds. Any authority, discretion, or other power conferred upon the Underwriters by this Purchase Agreement may be exercised by Banc of America Securities LLC (the "Representative") alone.

2. **The Bonds.** The Bonds shall be dated their date of delivery and shall mature on the dates and be subject to redemption prior to their maturity all as set forth in Exhibit A hereto. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of Section 15264, *et seq.*, of the California Education Code, as amended (the "Act"), a Resolution of the Board of Education of the District adopted on \_\_\_\_\_, 2006 (the "District Resolution"), and a Resolution of the Board of Supervisors of the County (the "Board") adopted on \_\_\_\_\_, 2006 (the "County Resolution," and together with the "District Resolution," the "Resolution") authorizing the issuance of not to exceed \$400,000,000 of general obligation bonds on behalf of the District. A portion of the proceeds of the Bonds will be deposited into one or more escrow funds established pursuant to one or more Escrow Agreements, each dated as of \_\_\_\_\_, 2006 (collectively, the "Escrow Agreements"), each by and between the District and an escrow agent (each, an "Escrow Agent") for the Refunded Bonds (as defined and identified in the Official Statement), for the benefit of the Owners thereof, to [advance] refund and defease the Refunded Bonds.

The Underwriters shall deliver to Sidley Austin LLP, Bond Counsel, on behalf of the County at or prior to 11:00 a.m., California Time, on \_\_\_\_\_, 2006 a check payable to the order of the County in the amount of one percent (1%) of the aggregate principal amount of the Bonds, as a good-faith deposit for the performance by the Underwriters of their obligations to accept and pay for the Bonds at the Closing (as defined herein) in accordance with the provisions of this Purchase Agreement. Such check shall not be cashed by the County pending the Closing except as provided below. At the Closing, the good-faith check will be returned to the Underwriters for cancellation. In the event the County and the District do not accept this offer, such check shall be returned to the Representative immediately. In the event of the District's inability to deliver the Bonds at the Closing, or if the District or the County is unable to satisfy the conditions to the Underwriters' obligations contained herein (unless such conditions are waived by the Underwriters), or if the Underwriters' obligations shall be terminated for any reason permitted hereby, such check or the amount thereof, without interest, shall be returned to the Representative immediately and such return shall constitute a full release and discharge of all claims by the Underwriters against the County and the District arising out of the transactions contemplated by this Purchase Agreement. In the event that the Underwriters fail (other than for a reason permitted hereby) to accept and pay for the Bonds at the Closing as herein provided, the proceeds of such check shall be retained and applied by the County and the District in full and complete liquidated damages (and not as a penalty) for such failure and as a discharge of all damages suffered on the part of the County and the District as a result of such failure.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement and the Resolution. The Bonds shall be in definitive form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC"). The payment of principal of and interest on the Bonds maturing on \_\_\_\_\_ 1, 200\_\_ through and including \_\_\_\_\_ 1, 20\_\_ will be secured by a municipal bond insurance policy (the "Insurance Policy") to be issued simultaneously with the issuance of the Bonds by \_\_\_\_\_ (the "Insurer").

3. **Use of Documents.** The District and the County hereby authorize the Underwriters to use, in connection with the offer and sale of the Bonds, the Resolution, this Purchase Agreement, a Preliminary Official Statement and an Official Statement (both as defined herein) and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

4. **Public Offering of the Bonds.** The Underwriters agree to make a bona fide public offering of all the Bonds at the initial public offering prices or yields as set forth in Exhibit A hereto. Subsequent to such initial public offering, the Underwriters reserve the right to change such initial public offering prices or yields as they deem necessary in connection with the marketing of the Bonds.

5. **Review of Official Statement.** The Underwriters hereby represent that they have received and reviewed the official statement in preliminary form with respect to the Bonds, dated \_\_\_\_\_, 2006 (the "Preliminary Official Statement"). The District represents that it deems the Preliminary Official Statement to be final as of its date, except for either revisions or additions to the offering prices, interest rates, yields to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, ratings, credit enhancement and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the "Rule").

The Underwriters agree that prior to the time the final official statement (the "Official Statement") relating to the Bonds is available, the Underwriters will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

The Underwriters agree to file the Official Statement with a nationally recognized municipal securities repository within the meaning of and with the effect described in said Rule.

References herein to the Preliminary Official Statement and the Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

6. **Closing.** At 8:00 a.m., California Time, on February \_\_, 2006, or at such other time or on such other date as shall have been mutually agreed upon by the parties hereto (the "Closing"), the District will direct U.S. Bank National Association, as paying agent and registrar for the Bonds ("Paying Agent") to deliver to the Underwriters, at the offices of DTC in New York, New York, or at such other place as the District and the Underwriters may mutually agree upon, the Bonds in fully registered book-entry form, duly executed, together with the other documents hereinafter mentioned. Upon fulfillment of all conditions to Closing herein, the Underwriters will accept such delivery and pay the purchase price thereof in immediately available funds (by check, wire transfer or such other manner of payment as the Underwriters and the County Treasurer and Tax Collector (the "Treasurer") shall reasonably agree upon) to the order of the Treasurer.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriters that:

A. The District is a unified school district validly existing under the laws of the State of California, with the power to issue the Bonds pursuant to the Act.

B. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to enter into this Purchase Agreement, to adopt the District Resolution, to issue and to deliver the Bonds, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Agreement, the Escrow Agreements and the District Resolution; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds, the Resolution, the Escrow Agreements and this Purchase Agreement have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Agreement and the Escrow Agreements constitute valid and legally binding obligations of the District, enforceable against the District in accordance with their respective terms; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Agreement.

C. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; *provided, however*, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The issuance of the Bonds, the execution, delivery and performance of this Purchase Agreement and the Escrow Agreements, the District Resolution, the Bonds, and the compliance with the provisions hereof and thereof do not conflict with or constitute

on the part of the District a violation of, or material default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a material default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

E. As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the District) or, to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices of the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy of any taxes contemplated by the District Resolution, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Agreement, the Escrow Agreements or the District Resolution or contesting the powers of the District or its authority with respect to the Bonds, the District Resolution, the Escrow Agreements or this Purchase Agreement; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Agreement, the Escrow Agreements or the District Resolution, (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Series A Bonds, the Series B Bonds or the Series C Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

F. Between the date hereof and the Closing, without the prior written consent of the Underwriters, the District will not have issued in the name of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

G. The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certificates may not be relied upon.

H. To assist the Underwriters in complying with the Rule, the District will undertake, pursuant to the Resolution and the Continuing Disclosure Certificate (as defined herein), to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

I. Any certificates signed by any officer of the District and delivered to the Underwriters shall be deemed a representation and warranty by the District to the Underwriters, but not by the person signing the same, as to the statements made therein.

J. Preparation and distribution of the Official Statement pertaining to the Bonds has been duly authorized by the District, and the information contained therein (excluding the statements and information in Appendix C – “BOOK-ENTRY ONLY

SYSTEM,” any information relating to the Insurer or the Insurance Policy and any information provided by the Underwriters for inclusion in the Official Statement) is true and correct in all material respects and such information does not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

K. The District agrees that if at any time before the Closing any event occurs as a result of which the Official Statement as then in effect would include any untrue statement of a material fact or omit to state any fact necessary to make the statements made therein not misleading in any material respect, the District shall promptly prepare an amendment or supplement that will correct such statement or omission. The District will advise the Underwriters promptly of any proposal to so amend or supplement the Official Statement and will effect such amendment or supplement in a form and manner approved by the Underwriters.

L. The audited financial statements of the District for the fiscal year ended June 30, 200[5] (selected information from which is included as Appendix B to the Official Statement) were prepared in accordance with generally accepted accounting principles consistently applied and fairly present the financial position and results of operation of the District for the period and at the date set forth therein, and there has been no material adverse change in the business, affairs, financial position, results of operations or condition, financial or otherwise, of the District since the date of such financial statements, except as otherwise disclosed in the Official Statement.

D. The issuance of the Bonds, the execution, delivery and performance of this Purchase Agreement, the County Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the County a violation of, or material default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a material default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

E. As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the County) or, to the best knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices of the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, tax levy or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Agreement or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, the County Resolution or this Purchase Agreement; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by this Purchase Agreement or the County Resolution, (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

F. Between the date hereof and the Closing, without the prior written consent of the Underwriters, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

G. Any certificates signed by any officer of the County and delivered to the Underwriters shall be deemed a representation and warranty by the County to the Underwriters, but not by the person signing the same, as to the statements made therein.

9. **Representations, Warranties and Agreements of the Underwriters.** The Underwriters represent to and agree with the District and the County that, as of the date hereof and as of the date of Closing:

B. The District hereby agrees to deliver or cause to be delivered (and the County agrees to cooperate with the District in connection with such delivery) to the Underwriters, not later than the seventh (7th) business day following the date this Purchase Agreement is signed, copies of an Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriters, the County, and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being herein called the "Official Statement") in such quantities as may be requested by the Underwriters in order to permit the Underwriters to comply with paragraph (b)(4) of the Rule and with the rules of the Municipal Securities Rulemaking Board. The District and the County hereby authorize the Underwriters to use and distribute the Official Statement in connection with the offering and sale of the Bonds;

C. The District hereby agrees to notify the Underwriters of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the closing.

D. For a period of twenty-five (25) days after the Closing or until such time (if earlier) as the Underwriters shall no longer hold any of the Bonds for sale, the District will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Underwriters shall object in writing or which shall be disapproved by the Underwriters; and if any event relating to or affecting the County, the District or the Bonds shall occur as a result of which it is necessary, in the opinion of the Underwriters, to amend or supplement the Official Statement so that the Official Statement does not contain any untrue statement of a material fact or omit to state a

material fact necessary to make the statements made thereon in light of the circumstances existing at the time it is delivered to a purchaser, not misleading, the Underwriters shall forthwith prepare and furnish (at the expense of the District) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriters) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

11. **Division of Responsibility Between District and County.** It is specifically acknowledged and agreed by and between the District and the County that the County shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the District.

12. **Conditions to Closing.** The Underwriters have entered into this Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. LOS ANGELES UNIFIED SCHOOL DISTRICT  
BOARD OF EDUCATION REVISED REPORT NO. 167-05/06

**CERTIFIED COPY**

Office of the Chief Financial Officer  
for presentation to the Board of Education on December 13, 2005

**SUBJECT: CERTIFICATION OF MEASURE Y RESULTS; ISSUANCE  
OF GENERAL OBLIGATION BONDS, ELECTION OF 2005,  
SERIES A (2006); AND A GENERAL FUND  
REIMBURSEMENT RESOLUTION**

**A. PROPOSAL**

It is proposed that the Board of Education:

1. Approve the attached resolutions (Attachments A, B, and C) certifying the November 8, 2005 Measure Y election results; Authorizing the issuance of Measure Y General Obligation Bonds, Election of 2005; and Authorizing the reimbursement of the District for certain expenditures authorized under Measure Y.
2. Authorize the establishment of a separate Capital Projects Fund; Approve revenue and appropriations increase to be realized for the 2005-06 fiscal year based on the issuance of Measure Y Bonds.

The full text of Measure Y referenced in Exhibit A in the attached resolutions is on file and available to the public for examination and review at the District's Office of Communications located on the 1<sup>st</sup> Floor at 333 S. Beaudry Ave., Los Angeles, California and is also available to the public on the Web at this URL:

**BACKGROUND**

On November 8, 2005, voters authorized a \$3.985 billion local bond measure ("Measure Y") by a vote of more than 55% to repair and modernize existing schools, build new schools to relieve overcrowding and fund a variety of other capital projects as well as defeasance of certain of the District's outstanding

Certificates of Participation issues (the "COPs") currently being paid from General Fund sources; it is estimated that the defeasance of the COPs will result in General Fund savings of approximately \$21 million and \$28 million in fiscal years 2006-07 and 2007-08, respectively, and a total of \$250 million through fiscal year 2029.

The \$3.985 billion in bonds will be issued over several years. At this time, it is anticipated that no more than \$500 million will need to be issued to address the encumbrance needs for fiscal year 2005-06. The actual expenditures for this fiscal year may be substantially lower as payments for the encumbrances may be processed in the subsequent fiscal year. Education Code Section 42602 provides authority for local districts to increase income and appropriations in recognition of unanticipated income from federal, State, and local sources. Moreover, because the General Fund may be used to advance some initial project costs or acquisitions authorized under Measure Y, the attached resolution provides for reimbursement of the General Fund for such expenditures. This board report will authorize the initial issuance of Measure Y Bonds in an amount not to exceed \$500 million.

#### **C. POLICY IMPLICATIONS**

Adoption of this report and the issuance of Measure Y Bonds is in accordance with Section 2.02(E) of the District's Debt Management Policy, which Section seeks to preserve General Fund flexibility by funding capital projects with a defined revenue source, such as voter-approved taxes that repay general obligation bonds, whenever possible.

#### **D. BUDGET IMPLICATIONS**

Adoption of this report will result in an increase of up to \$500 million to the District's 2005-06 income and appropriations of the District which will be budgeted in a new fund established to account for the proceeds and expenditure of the Measure Y Bonds. For encumbrance purposes, an authorized appropriation in the fiscal year 2005-06 budgeted amount for the Measure Y Building Fund of up to \$500 million will be established. The attached reimbursement resolution provides for reimbursement of the District's General Fund for any advanced costs, connected with transactions authorized under Measure Y, such as the purchase of school buses that may be paid out of the District's General Fund.

The District may purchase municipal bond insurance or other credit enhancement in connection with the sale of the Measure Y Bonds if the Chief Financial Officer deems such purchase prudent. In addition, costs of issuance will be incurred in connection with the issuance of the Measure Y Bonds. Any purchase of municipal bond insurance or credit enhancement and any payment of costs of issuance will be made from proceeds of the Measure Y Bonds and not from the District's General Fund.

**E. DESEGREGATION IMPACT STATEMENT**

This action has been reviewed and does not require a desegregation impact statement.

**F. RECOMMENDATIONS**

It is recommended that the Board of Education:

1. Approve the attached resolution (Attachment A) certifying the November 8, 2005 Measure Y election results.
2. Approve the attached resolution (Attachment B) requesting the County of Los Angeles to sell and deliver in one or more series up to \$500 million in general obligation bonds of the District to be designated "Los Angeles Unified School District General Obligation Bonds, Election of 2005, Series A and Series B (2006)" and authorizing the Chief Financial Officer to approve as to form and execute the necessary financing documents.
3. Approve the attached resolution (Attachment C) authorizing the reimbursement of the District for certain expenditures made and/or to be made in connection with the acquisition of equipment and capital assets and/or various school repairs and projects authorized under Measure Y.
4. Authorize the Chief Financial Officer and other Officers of the District to enter into agreements with (1) Tamalpais Advisors, Inc. – Kelling Northcross & Nobriga, A Joint Venture, as Financial Advisor; (2) Sidley Austin Brown and

Wood LLP as Bond Counsel and Hawkins Delafield & Wood as Disclosure Counsel; and (3) Underwriters, Fiscal/Paying Agent/Registrar, Escrow Agent, and Printer to be selected.

5. Authorize the Chief Financial Officer to purchase municipal bond insurance or other credit enhancement if economically advantageous in connection with the issuance of the Measure Y Bonds.
6. Authorize the establishment of a separate Capital Projects Fund entitled the "Measure Y Building Fund" to account for Measure Y revenues and expenditures.
7. Authorize the Budget Services and Financial Planning Division under authority of Education Code 42602 to recognize up to \$500 million in additional revenue; to make the necessary budget adjustments to reflect the anticipated receipt of proceeds from the sale of the Measure Y Bonds and the expenditure of funds, including costs of issuance.

All non-privileged reports and documents referred to in this report, including any exhibits or attachments thereto, the respective resolutions adopting or certifying each, and the Board Reports with respect thereto are on file with the Office of the Chief Financial Officer and/or the Board Secretariat, and each are incorporated into this report by this reference.

Any Authorized Officer is hereby authorized to certify to the Underwriters for the initial series of Bonds (and any other series issued simultaneously therewith), on behalf of the District, that the preliminary form of the Official Statement was deemed final as of its date, within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (except for the omission of certain final pricing, rating and related information as permitted by said Rule). Each Authorized Officer, acting singly, is hereby authorized and directed to sign said Official Statement in its final form, including the final pricing information, and such Underwriters are hereby authorized and directed to deliver copies of such Official Statement in final form to the purchasers of the initial series of Bonds (and any other series issued simultaneously therewith).

Section 9. Tax Covenants.

(a) General. The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Bonds under Section 103 of the Internal Revenue Code of 1986 (the "Code"). Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate of the District with respect to each series of the Bonds (each a "Tax Certificate"), to be entered into by the District on the date of issuance of each series of the Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Bonds.

(b) Yield Restriction. In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer or any other party on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer or such other party in writing, and the District shall make its best efforts to ensure that the Treasurer or such other party shall take such action as may be necessary in accordance with such instructions.

(c) Reliance on Opinion of Bond Counsel. Notwithstanding any provision of this Section, if the District shall provide to the Treasurer an opinion of counsel of nationally recognized standing in the field of law relating to municipal bonds (an "Opinion of Bond Counsel") that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Bonds, the Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

Section 10. Continuing Disclosure. Any Authorized Officer is hereby authorized on behalf of the District to execute a Continuing Disclosure Certificate with respect to each series of Bonds in substantially the form attached hereto as Exhibit B, with such changes thereto as deemed necessary in order to permit the Underwriters to comply with the requirements of Securities and Exchange Commission Rule 15c2-12. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of each such Continuing Disclosure Certificate.

Section 11. Approval of Actions. The President of this Board of Education, the Executive Officer of this Board of Education, the Chief Financial Officer, the Controller, and any other Authorized Officer are hereby authorized and directed to execute and deliver any and all certificates and representations, including but not limited to (i) signature certificates, no-litigation certificates, certificates concerning the contents of the Official Statement and the Additional Measure R Bonds Official Statement (defined below), (ii) representation letters to The Depository Trust Company, (iii) each Tax Certificate, (iv) any other certificates proposed to

be distributed in connection with the sale of the Bonds, including in connection with any policy of municipal bond insurance or other credit enhancement, and (v) any investment agreements entered into pursuant to the authority granted hereunder, which any of them deem necessary and desirable to accomplish the transactions authorized herein. Section 13. Authorization to Enter into Contracts Pursuant to California Government Code Section 5922. Additionally, this Board of Education hereby finds, that it is necessary from time to time to enter into contracts, arrangements or a program of contracts for one or more of the purposes described in California Government Code Section 5922, including, without limitation, interest rate cap agreements, interest rate swap agreements, liquidity facility agreements, credit enhancement agreements, and other contracts of this type, and hereby finds that such arrangements are designed to reduce the amount of payments that may come due on the any series of Bonds, and to maintain a lower overall cost of borrowing for the District and/or to enhance the relationship between risk and return with respect to investments related to a series of Bonds, and therefor authorizes any Authorized Officer to enter into such contracts on behalf of the District, and to pay to the provider of, or counter party to, each such agreement (or to a trustee or paying agent to facilitate transfer to the provider) available funds sufficient for the purpose of making payments due from time to time under any such arrangements and to pay incidental costs in connection therewith.

Section 14. Citizen's Oversight Committee. This Board of Education certifies that it has established and appointed and shall maintain an independent citizens' oversight committee pursuant to Section 15274 of the Education Code, to inform the public concerning the expenditure of proceeds of the Bonds by the date specified in such Section 15274.

Section 15. Bond Accountability Measures. This Board of Education certifies that it will conduct annual, independent performance and financial audits to ensure that the funds approved by the voters have been expended only for the purposes authorized by Measure Y in accordance with Section 1(b) of Article XIII A of the California Constitution and Section 15264 *et seq.* of the Education Code. This Board of Education further certifies it will direct the Chief Financial Officer to cause to be filed with the Board no later than January 1, 2007, and at least once a year thereafter, the annual report required pursuant to Measure Y and Section 53410 *et seq.* of the Government Code of the State of California.

Section 16. Additional Measure R Bonds Official Statement. The Authorized Officer, acting singly, are hereby authorized and directed on behalf of the District to prepare or cause to be prepared an Official Statement relating to the Additional Measure R Bonds (the "Additional Measure R Bonds Official Statement"), and the Underwriters are hereby authorized to distribute copies of such Official Statement in preliminary form to persons who may be interested in

purchasing the Additional Measure R Bonds. Any Authorized Officer is hereby authorized to certify to the Underwriters for the Additional Measure R Bonds, on behalf of the District, that the preliminary form of the Official Statement was deemed final as of its date, within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (except for the omission of certain final pricing, rating and related information as permitted by said Rule). Each Authorized Officer, acting singly, is hereby authorized and directed to sign said Official Statement in its final form, including the final pricing information, and such Underwriters are hereby authorized and directed to deliver copies of such Official Statement in final form to the purchasers of the Additional Measure R Bonds.

Section 17. Filing with Board of Supervisors. Pursuant to Section 15140(a) of the Education Code, the Executive Officer of this Board of Education is hereby authorized and directed to file a certified copy of this Resolution with the Executive Officer-Clerk of the Board of Supervisors of the County.

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances.

If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

WHEREAS, the Los Angeles Unified School District (the "District") is a political subdivision organized and existing under the laws of the State of California; and

WHEREAS, the voters of the District have approved the acquisition or lease of certain real property and equipment, new construction, repair and upgrading of District facilities located at various locations in the District (collectively, the "Project") pursuant to a ballot proposition approved on November 8, 2005 ("Measure Y"), the full text of which is set forth in Exhibit A hereto; and

WHEREAS, the District has paid, beginning no earlier than November 12, 2005 and will pay, on and after the date hereof, certain expenditures (the "Expenditures") in connection with the Project; and

WHEREAS, the Board of Education of the District (the "Board") has determined that those moneys previously advanced no more than 60 days prior to the date hereof and to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period and it is necessary to reimburse the District for the Expenditures from the proceeds of one or more issues of tax-exempt obligations (the "Bonds");

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

Section 1. The Board hereby declares the District's intent to reimburse the District with the proceeds of the Bonds for the Expenditures with respect to the Project made on and after November 12, 2005, which date is no more than 60 days prior to the date hereof. The District reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of the Bonds.

Section 2. Each Expenditure was and will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the District so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the District.

Section 3. The maximum principal amount of the Bonds expected to be issued for the Project is \$3,795,000,000.

Section 4. The District will make a reimbursement allocation, which is a written allocation by the District that evidences the District's use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The District recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain *de minimis* amounts) and expenditures for construction projects of at least 5 years.

Section 5. This resolution shall take effect immediately upon its passage.

Adopted and signed this 10 day of Jan, 2006, by the Board of Education of the Los Angeles Unified School District.
